

2018 the 2nd International Conference on Renewable Energy and Environment

ICREE 2018

November 19-21, 2018 | Vienna, Austria

2018 the 2nd International Conference on Renewable Energy and Environment (ICREE 2018), will be held co-located with [ICPSE 2018](#) in Vienna, Austria, during November 19-21, 2018, which are technically supported by Energy Economics Group, Institute of Energy Systems and Electric Drives, Vienna University of Technology. All accepted papers will be published in one volume of International Journal of Smart Grid and Clean Energy (SGCE).

★ Call for Papers

Topics of interest for submission include, but are not limited to:

Technology and system aspects	V manufacture, testing and certification
Wind resources environmental impact	PV for rural development
Machines and wind farms	Solar Thermal Applications:
Hydropower Applications	Solar thermal electricity
Turbines and generators	Solar heating and cooling systems
Construction and design issues	Geothermal Applications:
Small and micro scale hydropower	Geothermal heating and heat pumps
Environmental impact assessment	Environmental impacts and sustainability
Photovoltaic Technology	

For more details, please visit: <http://www.icree.org/cfp.html>

★ Submissions

1. Full paper(publication and presentation)

For full paper, please upload it to the Electronic Submission System (.pdf)

<https://cmt3.research.microsoft.com/User/Login?ReturnUrl=%2FICREE2018>

2. Abstract (presentation)

For abstract, please send it to icree-icree@outlook.com

More detail about submission, please visit at <http://www.icree.org/author.html>

★ Important ★ Dates

Submission Deadline:
Sep. 20, 2018

Notification Date
Oct. 15, 2018

Registration Deadline:
Oct. 30, 2018
